Dear Sir.

Your registered letter with inclosures received this day.

Your pass has been handed to Mr. Lightbody for insertion of photograph. If you could send us the pass of Mr. Keyser we could have that fixed up and save him an admission fee when he returns to the fair. I do not think that it will take us long to get away with the blanks which I acknowledged in my first letter of this date

Very Respectfy

Dear Sir

Your registered letter with inclosures received this day.

Your pass has been handed to Mr. Lightbody for insertion of photograph. If you could send us the pass of Mr. Kuper we could have that fixed up and save him an admission fee when he returns to the fair. I do not think that it will take us long to get away with the blanks which I acknowledged in my first letter of this date.

Very Respectfully
